Faroe Island Atlantic Salmon Skinless, 4-5 lbs

Triton Seafoods Faroe Island Salmon is caught from frigid waters of the Faroe Islands located between Iceland, Norway and Scotland. Because of the high fat content it's considered sushi chef's favorite salmon to use! The flesh is firm, moist and oily with a large moist flakes. Its frozen, skinless, delicate flavor and unique immediate use for Sushi preparation, makes it one of the most desirable salmon options for Sushi Chefs.

Atlantic Cod Loins & Fillets

Boneless, Skinless

Cod Loin

Triton Seafoods High Quality and Sustainable Atlantic Cod Fillets and Loins are available with or without skin frozen in a protective glaze. slightly sweet flavor and flaky white flesh, Atlantic Cod has long been popular in the US. We offer Bulk, Retail and Individually Vacuumed Pack in biodegradable & recyclable options.
